## 2. Hazards identification

| Human health hazards:  | Danger symbol not required.<br>Note: Prolonged and/or repeated contact may cause irritation<br>and/or skin sensibilization, depending on individual<br>sensitivity (see also Protective equipment). |
|------------------------|---|
| Safety hazards:        | Danger symbol not required.   |
| Environmental hazards: | Danger symbol not required.<br>Note: Large spillages may be hazardous to the environment.   |

Version: 3 Latest revision: 01. 08. 2008

Date of issue: 20. 06. 2007

\*: with exposure limit

The full text of each relevant R phrase see in Section 16.

### 4. First aid measures

| General inform | nation: Never give anything by mouth to an unconscious person, or never induce vomiting.                  |
|----------------|---|
| Inhalation:    | _   |
| Skin contact:  | Wash with plenty amount of water, using soap. In case of persistent irritation, get medical advice.       |
| Eye contact:   | Immediately flush eyes with large amounts of water for at least 15 minutes. Get prompt medical attention. |
| Ingestion:     | If swallowed, give drink salted lukewarm water. Induce vomiting. Get medical attention.                   |

#### **16.** Other information

Recommended application / restrictions: See product sheets.

The information given in this data sheet is based on our best knowledge at the time of publication. The information is related only to this product and is intended to assist its safe transport, handling and use. The given physical and chemical parameters describe the product only for the purpose of safety requirements and therefore should not be construed as guaranteeing any specific property of the product or as being part of a product specification or any contract.

The manufacturer or supplier shall not take responsibility for any damages from the use other than recommended or other misuse of the product. It is the responsibility of the user to keep regulatory precautions and observe recommendations for safe use of the product.

This safety data sheet has been prepared according to Regulation (EC) No 1907/2006, Directives 88/379/EEC and 1999/45/EC.
